Boboli

This is an extremely simple square gazebo with pyramid top and central lighting fixture.The self-supporting structure consists of antique brass poles. It can be covered with a canopy, climbing plants or Indian drapes. It comes with all the accessories needed for a simple lawn anchoring, although it can be customized with wood, granite or bricks. The gazebo can be adapted to fit the space available based on a design agreed in advance with the client. Item provided with lighting fixture including bulb.
