Flushing-meadows

The imposing size of this gazebo makes it ideal for furnishing wide outdoor spaces.The elegant structure is self-supporting with an octagonal layout built on antique brass poles with an unusual double pyramid top and central lighting fi xture, also created on antique brass poles. It can be covered with a canopy, climbing plants or Indian drapes. It comes with all the accessories needed for a simple lawn anchoring, although it can be customized with wood, granite or bricks. The gazebo can be adapted to fi t the space available based on a design agreed in advance with the client. Item provided with lighting fi xture including bulb.
